NEW SCHOOL UNIFORM AND BYOD

2016 marks the year where the new school uniform is to be worn by all year 7-12 students attending RDAS.

It is also the year for the official BYOD (Bring your Own Device) program for year 3-4 and 7-12 students.

Feedback from students, staff and the community has been overwhelmingly positive.

If you have any questions about the new uniform or BYOD programs please visit the RDAS website at: http://www.rd.as.edu.au and click on the Parent Info link.
Principal’s Report

A warm welcome back to all staff, students and parents to what we trust will be a very successful and rewarding year. The atmosphere across all classrooms has been very settled, with students highly engaged. The year has begun on a very positive note, with lots of things already to celebrate.

The implementation of the new Year 7-12 uniform has been very pleasing and I thank parents for supporting the Governing Council’s decision; even if you weren’t personally in favour of the changes.

We made a decision in our planning for this year, to place Student Support Staff in all three reception classes each day from 8:30am until 1pm. Ms Evans, Ms Kruger and Ms Darling have been working closely with our 3 reception teachers (Ms Zeptner, Ms Grillo and Ms Jarman) to truly give these students the best possible start to their schooling; particularly through the development of early literacy and numeracy skills.

Our enrolment as of the school census day, Monday 8th February was 596, which is 17 fewer students than at the same time last year. Our reception numbers in 2016 are on par with last year; with 61 reception students starting school for the first time in 2016 (we had 62 reception students at the same time last year). Along with the new reception students, we have had 58 new enrolments to the school across Years 1-12. We were very apprehensive leading into day one, mainly because of the uncertainty around student numbers. Our planning for 2016 was around an educated guess of likely student numbers, without truly knowing what impact the job losses in the 2nd half of 2015 would have on the school. The strength of these numbers will enable us to put in place all of our plans for 2016.

Facilities Upgrades: Over the Christmas holidays a number of facilities upgrades occurred across the site. These include; installation of security cameras in strategic locations around the yard, a new boarder for the administration lawn area which incorporates seating, new carpet in a number of class rooms, major upgrade of the front office area, the development of a new senior secondary study area in G block and the construction of a new bike rack space for students at the end of I block which was funded by Parents and Friends.

School Finances: Term 1 can be a difficult time financially for many families, with a number of expenses falling due at the same time. Many parents elect to spread these expenses over the whole year (at no additional cost), and authorise monthly payments from their bank. If you are interested in investigating this option, please contact Annie Uhlik at the school.

In 2016, we have implemented changes to the travel arrangement for school camps and excursions, to reduce the cost to families. In the past, the travel costs for camps have been averaged between $70 and $120. These changes will mean the travel cost for each camp and excursion will be set at a maximum rate of $30 per student, with the balance of the costs coming out of the school budget. This has reduced the cost of some camps by as much as $90 per student.
Staffing Update: We welcome a number of new faces to our leadership team, for 2016 which is:

Principal: Steve Bennett  
Deputy Principal (Years R-12): Ann O’Sullivan  
Assistant Principals: Jessica Bawden (Year R-6) and Tony Holden (Year 7-12)

Year Level Coordinators:
Ally Christall (Yr R-2), Jayne Winter (Yr 3-6), Kristy MacKenzie (Yr 7-9) Lee Copeland (Yr 10-12).

Curriculum Coordinators: Andrew Hudson (Information Technology), Beth Elliott (Student Wellbeing)
We also welcome 7 new staff to our school in 2016: Ms Gloster (SSO – classroom support), Ms Siegert (Special Education), Ms Smith (Yr 5/6), Ms Bawden (Assistant Principal R-6), Ms Hampel (Year 7), Ms Whittington (Yr 9) and Ms Mentha (Yr 9). All of our new staff have made a positive start to the year and are looking forward to their time at RDAS.

Acquaintance Night: Parents are reminded that our annual Acquaintance Night will be held on the Thursday night of week 3, 18th February. This is an opportunity for parents to visit their child’s class as well as to take up our invitation to go for a wander around the site, and check out the facilities that are on offer for our students.

DECD External Review from 2015: The operations and performance of each DECD site across the state is reviewed on a regular basis, and has a major review conducted every 4 years. Our review was carried out in September for 2015. A copy of the 9 page report from this review was forwarded to the school in January and has been made available for all parents to read on the school website. The report can be reached via the following hyperlink:

Kind Regards, Steve

Welcome back to 2016 and a warm welcome to new students and families. It’s lovely to be working at RDAS in the role of R-6 Assistant Principal for twelve months. I have recently moved from Tumby Bay with my two children and have been made to feel very welcome into both the school and wider community. I previously worked in Port Lincoln in a Deputy and counsellor role and look forward to my time here in RDAS. I am also looking forward to working collaboratively with our parent community. Already class teachers have been busy setting up and planning for the year ahead. We have an extremely committed team of teachers who began work for 2016 well before the students first day. The amount of time and love that goes into setting up your child’s classroom is enormous and as leader of the cohort I was proud of the dedication and commitment from all teachers across R-6.

**Events this term:** There are a few events to highlight for Term 1. Firstly the Special Education and R-7 classes are swimming in Week 2-4, you will have had notes go home with your child. We also have the 3-6 Swimming Carnival scheduled for Wednesday 2\(^{nd}\) March and the R-2 Splash Day on Friday 4\(^{th}\) March. >>>And don’t forget Acquaintance Night tonight – Thursday February 18\(^{th}\) !

**Homework Policy:** This year we are implementing the R-6 Homework Policy. This was mentioned in classroom notes at the beginning of the year. With this policy change last year this policy ensures we are working towards a model that considers the important balance between home and school yet encourages your child to develop lifelong thinking and learning skills. All classes are continuing homework that consists of daily reading and the completion of any unfinished classroom tasks as the individual class teacher sees fit.

**Assemblies:** The structure of Assemblies will include a year 3-6 in week 4 and R-2 in week 7 on Friday. Also this term the R-6 classes will be also be attending two assemblies, the Student Voice induction assembly in Week 5 on Monday and an R-6 Assembly on Friday in Week 11.

**Police Clearances for Parent Helpers:** The safety of your child at RDAS is a priority and we encourage parent participation and involvement in your child’s learning. Therefore if you would like to assist with swimming in any way, undertake regular involvement in your child’s class or go on camps, sleepovers and excursions parents are encouraged to have a Police clearance. They are relatively easy to complete. Collect a form from the front office, complete it and return to the front office for processing. The school pays the fee.

**Relief Teachers in Roxby Downs:** A reality of schooling in Roxby Downs is that there is a limited supply of relief teachers which impacts a large site like RDAS significantly. We do all we can to minimise disruptions to classes and the staff at RDAS is flexible and covers colleague’s absences where possible however there will be times when primary classes need to be split. In these instances, class teachers plan the learning activities for the day and students are engaged with combination of curriculum from their home class and the class in which they are spending the day. If there is an occasion where your child’s class is split there will be a member of the leadership team in the classroom to organise the morning. The roll will be taken and students will take their bags and pencil cases etc. with them to the class where they will spend the day. At all times we aim to minimise the disruption to students learning and put support structures in place for those students who may find the process unsettling.

I look forward to meeting new and existing families to establish inclusive learning opportunities for all students.

Warm wishes,
Jess Bawden
R-6 Assistant Principal
From the counsellors…

We wanted to take this opportunity to introduce ourselves and how we can support you and your child/ren at school. Welcome to all the new students and families we hope you have had a positive start to schooling at Roxby Downs Area School. Your school counsellors for 2016 are Beth Elliott (Wellbeing Coordinator) and Kate Bennie. Our office is located in E block. We can be contacted through the front office or via your child’s teacher.

Wellbeing is a school priority and we now offer a pastoral care program across R-12 once a week. The aim is to create a consistent approach to all areas of student wellbeing through a program which is individualised to specific needs at the different year levels.

Young people aged between 12-25 years are able to access our FliipSyde Youth Health Service where appointments can be made with a GP from Port Augusta supported by a nurse onsite. This service operates once a fortnight from 9.30am to 4.30pm in the FliipSyde room at the rear of the school. FliipSyde is funded by BHP Billiton and provides a free and confidential service to our students. Appointments can be made through the student counsellors or direct to Port Augusta on (08) 86435600. Permission to access this service is included in the enrolment pack for new students or from the front office and lasts for their schooling at RDAS.

We are aware that during the Christmas break a number of families experienced loss of a family member or friend. We would like to express our condolences to these families and offer any support that you or your child/ren require. Please know we are thinking of you at this difficult time.

Sister Pat’s Quote of the week.
Instead of counting your days, make your days count.
Senior School Induction

On the first two days of this term our senior students participated in a two day Induction program. On Monday all Year 11 and 12 students attended seminars and follow up workshops with Kirrilie Smout a clinical Psychologist from Adelaide and Director of Developing Minds Psychology. The 3 seminars held on the day were:

- ‘Getting It Together’-study skills and motivation
- ‘Memory Magic’-revision skills
- ‘Managing Tough Times’-stress management and coping with difficult times

Tuesday’s program involved all Year 10-12 students and a range of activities were undertaken. Staff leaders presented information about striving for success, SACE and Information Technology. Students worked in mixed year level groups on quiz and team-building activities.

A morning tea was provided to the students. After recess a panel of 10 locals shared information about their career pathways and gave ideas for students to set goals and make the most of their last few years of school. We really appreciate these people giving up their valuable work time to share their experiences with our students. The students also spent time with their home group teachers on goal setting tasks.

These two days aimed to provide a positive and united approach for our senior students for 2016.
R-6 ENVIRONMENTAL CLUB

This year RDAS have started an R-6 Environmental group where we discuss and plan activities to make our school more environmentally friendly. The group meets every Monday lunch time in Mrs Schipper’s classroom. This term we are focusing on:

- Reducing litter around the yard
- Recycling bottles, cans and juice boxes.
- Schools Clean up Day (Friday 4th March) to align with Clean Up Australia Day (Sunday 6th March)

Clean Up Day 2016

Sunday 6th March at 9am
REGISTRATIONS NOW OPEN

Register your interest online at www.roxbydowns.com or email anni.walsh@roxbycouncil.com.au before Friday 26th February to participate in Clean Up Australia Day on Sunday 6th March.
say cheese

School Photo Day is
7 March 2016

Have your child’s school memories captured forever

Please take time to read the relevant information on the MSP Photography payment envelopes and remember these helpful points:

- Don’t seal envelopes inside each other. You can pay for all children in one envelope however each child needs to have their own envelope on photo day

- Family envelopes are available at the school office upon request

- Please enclose correct money as no change is given. Cash, cheques and money orders only (sorry no credit card accepted)

For any enquiries, please feel free to contact us

COMMUNITY NOTICEBOARD:

Dog Access To Small Oval

Community concerns around dogs using the small oval (behind the school/roxbylink precinct/tennis courts) during school hours has prompted Council to clarify access to this area.
Many people may not be aware that the small oval is actually leased by the Roxby Downs Area School and considered part of school property on school days.
Discussions with the school have confirmed that it is not appropriate for dogs to be in an area where children are present, and so Council will soon be installing new signs to clarify this in time for the start of the 2016 school year.
Dogs will not be allowed on the small oval on school days between 8am – 5.30pm (the later afternoon time allows for use of the area by groups such as Out of Hours School Care).
Dog owners are still welcome to use the main (town) oval to exercise their dogs during these times, as well as the school oval before 8am and after 5.30pm, and are reminded to please ensure their animals are under their control at all times and they pick up any droppings and dispose of them appropriately. Dogs should also not be exercised off-leash on the ovals when organized sport or other activities are taking place.

Piano, Voice and Music Theory lessons:

RDAS are pleased to announce that Mark Richardson has returned.
On Mondays he is offering lessons in piano, voice and music theory.
   All ages welcome.
   Contact Jayne Winter or Mark on 0417 860 018
LET’S SING!

MONDAYS 3.30 to 4.30 in Term time

Introducing

BOOK CLUBS LOOP
for Parents

AVAILABLE AS AN APP!

LOOP is Scholastic Book Clubs Linked Online Ordering & Payment platform for Parents.

If you want to pay by credit card for your online Book Club order, LOOP makes it easy! It eliminates the need for paper order forms plus your online order is submitted to the school safe and sound.

Log-in to www.scholastic.com.au/LOOP or download our iPhone and iPad app from the App Store or get it on Google Play for Android.

- For a quick start, just click on ORDER in the top menu or REGISTER first to save your details for next time
- Select your school and your child’s class
- Add your child’s first name and last initial (so the school knows who the book is for)
- Enter the item number from the Book Club catalogue
- You can order for multiple children at once if they attend the same school
- All orders are linked directly to the school for submission to Scholastic. Books will still be delivered to your child’s classroom if you order by the close date
- There’s no need to return paper order forms or payment receipt details to your school!

For a quick how-to-order video, log-in to www.scholastic.com.au/LOOP and click on HELP in the top menu.
Join the Green Army

GREEN ARMY with
CONSERVATION VOLUNTEERS AUSTRALIA

Are you passionate about the environment?
Are you interested in gaining practical skills in the environment?
Do you want to learn about the environment?

Are you aged between 17 and 24, an Australian citizen or permanent resident and would like to be a part of a team that will make a REAL difference to the environment in your local community? Would you like to paid an allowance while gaining skills, training and experience that can help you enter the workforce, improve your career opportunities or further your education and training?

- 20 week project working 30 hours a week
- Low-cost Accommodation is available at Camp4, own transport is needed to get to Roxby Down though
- Uniform provided (boots, pants, shirt, hat)
- Earn an allowance up to $16.45 per hour
- Gain a first aid certificate and safety certificate
- Gain accredited units in Conservation and Land Management
- Learn practical skills from environmental Rangers
- Potential employment opportunities
- Meet other people and experience working in a team outdoors
